CIRCULAR

Sub: Using of NIC email IDs for official correspondence.

It is seen that some of the Block Development Offices and Village Panchayat Offices are using private email IDs such as gmail, yahoo, rediffmail in spite of having NIC mail IDs created for all Block Development Offices and Village Panchayats. In this connection, all BDOs are directed to use only NIC mail IDs for official correspondence and are also directed to direct the Village Panchayat Secretaries to use NIC mail IDs for the Village Panchayat official correspondence. This is for strict compliance.
